

Special Events Volunteers

Volunteers play a vital role in the planning and implementation of fundraising events and programs for Crandall Public Library. Fundraising is essential to maintaining the quality and quantity of Library programs and services our community needs and expects, and special events have become a substantial part of that effort. We need creative, energetic volunteers to join the Library's events committee and help us produce profitable and memorable special events. If you're a Library fan with great ideas, a bit of free time, and a can-do attitude, we want to hear from you! You'll join a terrific team of volunteers who make a difference for the Library community. For more information, contact Lynn at lshanks@sals.edu or 518-792-6508, ext. 284
